

The Program Structure

INTRODUCTION TO THE PROGRAM STRUCTURE

This document contains the Program Structure of the State of Hawaii and a crosswalk between it and the State's organization structure. It is presented here both for informational purposes and as a guide to the use of the State's executive budget documents. Because the information contained in these documents is organized according to the Program Structure and its numbering system, this presentation of the structure and an explanation of the numbering system it bears are provided to facilitate its use.

Program Structure Numbers

There are 11 major State programs that coincide with the 11 primary objectives of the State Government. They are identified as "Level I programs," and each is assigned a unique two-digit number as follows:

- 01 Economic Development
- 02 Employment
- 03 Transportation Facilities and Services
- 04 Environmental Protection
- 05 Health
- 06 Social Services
- 07 Formal Education
- 08 Culture and Recreation
- 09 Public Safety
- 10 Individual Rights
- 11 Government-Wide Support

Within each of these 11 programs is a hierarchical structure of subordinate programs grouped into levels at which meaningful resource allocation decisions can be made. In most cases, this has meant a breakdown to four or five levels. Each level of this breakdown is also identified by a two-digit number. Hence, a Level II program may carry the number 06 or 12, so may a Level III program. As a result, every program at every level in the structure has one or a combination of several, unique two-digit numbers by which it can be identified.

For example, the program entitled "Agriculture" is identified by the number 01 03, where 01 stands for the Level I program, Economic Development, to which the Agriculture program is subordinate and 03 stands for the Agriculture program itself at Level II. Similarly, the program entitled "Financial Assistance for Agriculture," a third level program, is identified by the number 01 03 01, where 01 is the Level I "Economic Development" program; 03 is the Level II "Agriculture" program; and 01 is the Level III "Financial Assistance for Agriculture" program.

In order to locate information regarding a specific program in the Executive Budget documents, it is necessary to know the program structure number of that program. All information is organized sequentially by program structure number. For example, all programs with numbers commencing with 04 follow those with numbers commencing with 03. Similarly, the program with the number 06 01 precedes 06 02; 06 01 02 precedes 06 01 03; and so on.

Part I of this section displays the State's Program Structure and the Program Structure Numbers.

Program ID Numbers

In addition to the program structure numbers described above, each lowest level program in the structure has a "Program ID" number. This number is used to indicate the department of the State Government in which the particular lowest level program is organizationally administered. The number actually consists of three letters and three digits. The letters identify the department, and the digits identify the program. For example, the program ID number HTH 501 indicates that the program is organizationally administered by the Department of Health; the digits 501 are unique to that program in the department.

The following departmental letter designations have been assigned:

AGR	Department of Agriculture
AGS	Department of Accounting and General Services
ATG	Department of the Attorney General
BED	Department of Business, Economic Development
and Tourism	
BUF	Department of Budget and Finance
CCA	Department of Commerce and Consumer Affairs
DEF	Department of Defense
EDN	Department of Education
GOV	Office of the Governor
HHL	Department of Hawaiian Home Lands
HMS	Department of Human Services
HRD	Department of Human Resources Development
HTH	Department of Health
LBR	Department of Labor and Industrial Relations
LNK	Department of Land and Natural Resources
LTG	Office of the Lieutenant Governor
PSD	Department of Public Safety
SUB	(This designation is for state subsidies not associated with a department.)
TAX	Department of Taxation
TRN	Department of Transportation
UOH	University of Hawaii

Part II of this section lists the program ID numbers in alphabetical order followed by the program structure number and program titles. This listing serves as a guide in cases where the program structure number is not immediately known. By knowing which department administers the program, reference can be made to this listing to identify the assigned program structure number.
